PUBLIC NOTICE NO.01/2012

On review of challans deposited for payment towards Central Excise duty under major head 0038 or Service Tax under major head 0044, it has been observed by the Pay & Accounts Office that 2% primary education cess and 1% higher education cess are not properly calculated and shown appropriately and separately by many of the assessees. The total amount shown in the challan should be equal to the total of Union Excise duties as per rate prescribed, 2% Education cess and 1% higher Education cess and must be shown separately.

Therefore, all assessees under the jurisdiction of Central Excise Commissionerate Rajkot are hereby requested to take utmost care while preparing challans and to ensure that correct amount of each element of Central Excise duty/Service tax have been shown appropriately and separately so that variance between the total collection booked in Accounts and the percentage of primary Education Cess and Higher Education Cess thereon can be avoided.
